

What I Learned Today!

After graciously providing the way for Israel to live in his holy presence, God then showed them that they needed to respond to his grace by living holy lives. The reason for being holy is because God is holy. His people are to reflect his character. There are many particular laws in Leviticus, but they are summed up by loving God, loving others, and being distinct from the world.

God saved Israel so that they would serve him in holiness. And God saves all who believe in Jesus Christ so that they will display his glory by living holy lives. Both for Old Testament believers and New Testament believers, God saves as a gift of his grace. But then those who are saved are to go on to do good works, loving God and loving others in purity. In this way, they display the glory of Christ.

March Memory Verse

“And there is salvation in no one else, for there is no other name under heaven given among men by which we must be saved.”

Acts 4:12

Charting a Course for Life!

- * Remember that God's people are to be holy!
- * Always keep in mind that holiness is a response to God's loving grace and not a way to earn his grace!
