# CENTER MY LIFE

Turn my eyes to see you Jesus  
In all your glory, turn my eyes  
Tune my heart to sing in wonder,  
Of how you love me, tune my heart

Oh, my God, forever you reign,  
Here and now, hear the sound of your name

Jesus there is none more beautiful than  
Jesus there is none more powerful  
The risen Christ lifted high, Jesus now be glorified  
Center my life on your name, Center my life on your name

Turn my eyes away from searching,  
For lesser glory, turn my eyes  
Teach my heart with all your wisdom,  
To live for Heaven, teach my heart

Oh, my God, forever you reign,  
Here and now, hear the sound of your name

Jesus there is none more beautiful than  
Jesus there is none more powerful  
The risen Christ lifted high, Jesus now be glorified  
Center my life on your name, Center my life on your name

Oh, my God, forever you reign,  
Here and now, hear the sound of your name  
Oh, my God, forever you reign,  
Here and now, hear the sound of your name

Jesus there is none more beautiful than  
Jesus there is none more powerful  
The risen Christ lifted high, Jesus now be glorified  
Center my life on your name, Center my life on your name

# NOTHING COMPARES

The void became the universe, responding to your word  
The sky above and earth beneath, the garden from the dirt  
Your voice ignites the galaxies, the tapestry of stars  
In majesty and gravity, you've shown us who you are

All praise and honor to your name, you're worthy, you're worthy  
With saints and angels we will say, you're holy, you're holy

You gave your love to enemies, your son upon the cross  
The blood he shed in agony, has made a way for us  
He's the image of your radiance, and the imprint of your heart  
In sacrifice and faithfulness, you've shown us who you are

All praise and honor to your name, you're worthy, you're worthy  
With saints and angels we will say, you're holy, you're holy

We bow before the only one  
Who was and is and is to come  
Nothing compares to you, nothing compares  
We bow before the only one  
Who was and is and is to come  
Nothing compares to you, nothing compares  
We bow before the only one  
Who was and is and is to come  
Nothing compares to you, nothing compares  
We bow before the only one  
Who was and is and is to come  
Nothing compares to you, nothing compares

All praise and honor to your name, you're worthy, you're worthy  
With saints and angels we will say, you're holy, you're holy

All praise and honor to your name, you're worthy, you're worthy  
With saints and angels we will say, you're holy, you're holy

# HOW GREAT YOU ARE

Our God is great, the Father of creation  
His splendor fills the earth  
The lightning crash, the thunder sings his praises  
The galaxies can't help but shout his worth

My soul must sing to you an offering, how great you are  
My soul must sing, oh, let the heavens ring, how great you are  
Oh, how great you are

The Word made flesh, God's promise to the fallen  
He came with pow'r to save  
The light of life was crushed for our rebellion  
He died our death and rose up from the grave

My soul must sing to you an offering, how great you are  
My soul must sing, oh, let the heavens ring, how great you are  
Oh, how great you are

Our King will come with trumpet blasts resounding  
To claim his blood-washed bride  
He'll rend the skies, descending in his glory  
And in an instant faith will turn to sight

My soul must sing to you an offering, how great you are  
My soul must sing, oh, let the heavens ring, how great you are

My soul must sing to you an offering, how great you are  
My soul must sing, oh, let the heavens ring, how great you are  
Oh, how great you are
